

Some Die Young

I will tell your story if you die
I will tell your story and keep
you alive
The best I can
I will tell them to the children
If we have some, if we have
some
That I've always felt the feeling
we would die young
Some die young, some die
young

Some, some die young
But you better hold on
So many things I need to say to
you
Please don't, don't let me go
And we said we would die
together
Some die young

But you better hold on
So many things I need to say to
you
Please don't, don't let me go
And we said we would die
together
Some die young

I will tell your story if you try
But how long will your thoughts
of valleys stay green
When the world you were born
in changes with seasons
Will you run with the stream or
will you run alone
Or will you run against and finally
reveal
Why some die young, why some
die young
Why some die

Some die young
But you better hold on
So many things I need to say to
you
Please don't, don't let me go
And we said we would die
together

Some die young
But you better hold on
So many things I need to say to
you
Please don't, don't let me go
And we said we would die
together

Some die young
But you better hold on
So many things I need to say to
you
Please don't, don't let me go
And we said we would die
together
Some die young
Some die young
She walks with her head in the
sand
They will never die
